Times and places of registrations at other off-campus locations are to be announced. MINI College registration begins on April 18 for the Pre-Summer Session and on May 11 for the regular Summer Session courses and may be accomplished in the Administration Bldg., Room 265. Students should telephone (454-2381) instead of registering through the mail.

Advisers from the Colleges of Education and Business will arrive prior to the beginning of registration at Jackson to advise students.

Late registration fees are assessed beginning on the first day of classes or the first scheduled late registration thereafter.

All appropriate calendar deadlines are the same for off-campus academic credit courses as for on-campus courses. See "MSU Campus Registration Calendar." However, off-campus instructors at Jackson should turn in grades to Dr. Danley on the Friday before grades are due in the Records Office.

*Students may register for courses offered during the first, extended, and second summer terms at the same time before the first term. Students who have not previously enrolled for the second term may do so at the second term registration.

**Students desiring to register late for the second summer term at Jackson should contact the Memphis State Office at Jackson State Community College. Late registration fees are assessed beginning on the first day of classes or the first scheduled late registration thereafter.

CLASS SCHEDULE ADJUSTMENT

In order to avoid time conflicts with the closing of schools in this area, three special arrangements have been made relative to course schedules:

Plan I — Certain sections of 4000/6000 undergraduate/graduate combination courses and 7000/8000 graduate courses, marked with a footnote, will meet during late afternoon and early evening hours June 2 - June 9. These courses include all graduate sections in Education and Sociology and certain sections in Geography, Mathematics, Business Education, and Political Science. Time schedules will be adjusted as follows:

Time as Shown in Schedule	Meeting Time June 2 through June 9
7:00 - 8:30 a.m.	3:30 - 5:00 p.m.
8:45 - 10:15 a.m.	5:15 - 6:45 p.m.
10:30 - 12:00 noon	7:00 - 8:30 p.m.
12:15 - 1:45 p.m.	8:45 - 10:15 p.m.
2:00 - 3:30 p.m.	3:30 - 5:00 p.m.

Beginning June 10, or sooner if no teachers are enrolled, all classes will revert back to the time schedule as shown in the "Schedule of Classes."

The University will attempt to make special arrangements on an individual basis, upon request, for non-teachers who will be unable to meet these classes on the alternate schedule from June 2 through June 9.

Plan II — Special arrangements for certain course sections in Management, Music Education, English, History, Chemistry, and Biology (marked with a footnote) have been made. Students will be advised of these special arrangements at the time of registration and are encouraged, also, to contact the instructor of the course for any additional information needed.

Plan III — All other departments not specifically mentioned will attempt to make individual arrangements for anyone who cannot attend the first six days of classes because of the late closing dates of the local schools.

Note: Even though special arrangements are being made to accommodate the time conflict resulting from the late closing of schools, students must register during the regular registration period. Evening registration will be held on Tuesday, May 31, from 6:00 p.m. - 7:30 p.m. and on Wednesday, June 1, from 6:00 p.m. - 7:00 p.m.

NOTE: The Packet Center and other supporting offices usually close 30 minutes before registrations close. For more information see the "Campus Registration Calendar of Events" chart in departmental and administrative offices.

ADMISSION PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after May 1 cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to May 1, 1977. Anyone failing to do so cannot be assured of being considered for admission.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 P.M. and on Saturday mornings, these may be obtained in Room 165, Administration Building, or by telephoning 454-2398.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from the Records Office, Room 165, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students and must be properly admitted to graduate school as new students.

Transferring Credit to MSU

In order for completed additional course work to be transferred form another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

Persons Over 60 Years of Age

Persons over age 60 may register to audit any degree credit course without charge on a space available basis. Call 454-2671 for further information.

Totally Disabled Persons

Disabled persons with a permanent disability which totally incapacitates them from earning an income and who are domiciled in Tennessee may register to audit any credit course without charge on a space availability basis. Call 454-2671 for further information.

REGISTRATION PROCEDURES

Important: See page XII for statement concerning Summer Session fees.

Registration dates for the four summer terms of the Summer Session 1977 are found in the MSU Campus Registration Calendar. Specific details of these registrations are as follows:

Pre-Summer Session: Registration for this term only will be on May 9. Students should report to the Field House for registration at the time they are assigned. Students are assigned registration times by student classification and should refer to the information card that is included in the packet of registration materials for these times. Registration

materials will be mailed prior to the Pre-Summer Session registration and may be used for this term or any subsequent one. Although the "Registration Appointment Card" should be processed during registration, the time on this card should be ignored for Pre-Summer Session registration. Additional registration materials will be mailed to those who register for Pre-Summer Session courses so that subsequent registration may be possible.

First Summer and Extended Terms: Students must register on May 31 or June 1 for classes offered during the First and Extended Terms. Students may also register on these dates for courses offered during the Second Term. The time on the "Registration Appointment Card" must be used for this registration. The specific dates for adding and dropping courses are in the MSU Campus Registration Calendar. These dates must be observed in making course changes.

Second Summer Term: Students who have not previously enrolled for Second Term courses may do so on July 11. Students are also permitted on this date to add and drop Second Term courses for which they have previously enrolled. A special "Add/Drop Appointment Card" will be sent to all students who have previously registered for courses. This time card will be sent to students prior to the Second Term registration.
NOTE: Students registered for the First Term do not register for the Second Term. They simply add courses with a "Change of Course" application.

Important

1. The usual $3.00 add-drop charge will not be made on course changes processed on July 11. The charge will apply to add-drops processed at any other time during the scheduled add-drop period. Students who fail to register during the regular registration period may register beginning on the first day of classes. These students will be charged a $5.00 late registration fee on the first day and an additional $1.00 each day thereafter.
2. Students who do not register on May 31 or June 1 must report for the Second Term registration at the times indicated on the card accompanying the registration materials. These times are assigned by classification and must be followed.
3. Registration on May 31 and June 1 will insure class space in courses taught during the Second Summer Term.
4. Carefully read all instructions found in the registration materials.

At Memphis State University, the registration process is composed of the basic steps outlined below. After the outline, each step is explained in detail.

(1) Consulting with academic adviser
(2) Obtaining registration materials
(3) Securing class cards and paying fees
(4) Changing enrollment status
  (a) Change-of-course procedures
  (b) Withdrawal procedures
  (c) Change of college, major, or adviser
  (d) Change of name or address
(5) Credit by examination

(1) Consulting with Academic Adviser

To begin the registration process, all students must see their academic adviser to obtain the "Student Schedule" form and secure the adviser's approval of their course selections.

Current Students

Current students should consult with their academic adviser during the term preceding their next semester registration and receive the "Student Schedule" form. It is the responsibility of the student to arrange to see his adviser at the earliest possible time. This should be done prior to the semester registration

period. The University is open Monday through Friday, 8:00 A.M. to 4:30 P.M., except during holidays.

Undergraduate students enrolled in Saturday and evening courses only may consult either an academic adviser and/or secure their student schedule form in Room 165, Administration Building, between the hours of 1:00-9:00 P.M., Monday through Friday, and 9:00 A.M. - 12:00 noon, Saturday.

New Students (Undergraduate)

Freshmen and transfer students registering for the first time should attend a new student orientation session at which information concerning the registration and advising process will be given. (See semester calendar for date and time.) All new freshmen students and transfer students without an academic major will be assigned to the General Advising Center. Students assigned to the General Advising Center should go to the Center immediately after admission to the University and request the assignment of an adviser. If possible, this should be done prior to the new student orientation session. The General Advising Center is located on the first floor of Jones Hall. Advisers will be assigned during the orientation session to students who have not seen an adviser.

New Students (Graduate)

New students in the Graduate School will be directed to an academic adviser following their admission to the Graduate School.

New Students (Evening)

New students enrolling in evening classes only should attend the special information session to be held in the University Center Ballroom for evening students. Advising and registration information will be given at this session. (See MSU Campus Registration Calendar for date and time).

Readmitted Students

Students readmitted to the University for the summer semester who do not have an academic major will be assigned an adviser in the General Advising Center, first floor, Jones Hall. All other readmitted students should report to the department in which they plan to major and request an adviser.

Unclassified, Special Undergraduate, and Audit Students

Undergraduate students who are unclassified, special undergraduate, or audit should go to the General Advising Center, first floor, Jones Hall, or the Evening Academic Services Office, Room 165, Administration Building, for advising assistance.

(2) Obtaining Registration Materials

The second major step in the registration process is obtaining registration materials. Registration materials consist of four basic elements: (1) a personal data form entitled "Student Information Form," (2) a card entitled "Registration Appointment Card," (3) a card entitled "Student Fee Card," and (4) a permanent ID card. Registration materials may be obtained as follows:

Current Students

Registration materials will be mailed to the permanent address of all students currently enrolled — with the exception of those students having outstanding financial obligations at the time registration materials are prepared, those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a university office.

New and Readmitted Students

New and readmitted students who have cleared all admission requirements at the time registration materials are prepared will receive their materials by mail.

Students not clearing in time to receive their materials by mail will be given a chance to obtain materials before the actual day of registration and will receive instructions on how to accomplish this.

ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, AND SPECIAL STUDENTS. New students will be given information concerning ID cards in their information sessions. Current students who have lost their card may obtain a replacement from the Dean of Students' office, Room 114, Scates Hall, by paying the replacement fee of $10.00. Students unable to obtain an ID card at off-campus or special registrations must go to the Records Office to have one made.

(3) **Securing Class Cards and Paying Fees**

Students having their "Student Schedule" form approved, their permanent ID card made, and their registration materials in hand are then prepared to enter the Registration Center to obtain class reservation cards and to pay fees. Important points to remember about this step in the registration process are:

(1) Registration appointment times—Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." (See example.) Registration priority at Memphis State University is based on cumulative hours earned. See statement of policy on registration priority.

All students should attempt to enter the Registration Center at the appointment time indicated; however, the student may enter at any later appointment time.

(2) Single registration for the First, Second, and Extended Terms—There will be a single registration for the First, Second, and Extended Terms of summer. During the registration of May 31 and June 1, students may register for all courses which they plan to take during any of the three summer terms. A Change-Of-Course Center will be set up to process Second Summer Term adds/drops on Monday, July 11. These times are reserved for students needing to make a change in their original schedule.

NOTE: It is recognized that some students planning to attend the Second Term will not be able to register until July 11. While provisions will be made to see that the student does get registered, he is encouraged to register on May 31 or June 1 in order to insure space in classes.

(3) Schedule conflict — Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course number, section, time and credit agree with what they requested. Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card. Students should be careful to check the schedule for course offerings

that might have changed. Up-to-date information may be obtained during registration.

(4) Maximum load—An **undergraduate** student may enroll for a maximum of 7 semester hours in each of the two Summer Terms and 14 semester hours in the Extended Term. If the student enrolls in either of the Summer Terms and the Extended Term at one time, the maximum course load is 9 semester hours. The maximum course load for undergraduate students for the entire Summer Session may not exceed 14 semester hours, excluding credit earned in special courses which do not overlap one of the three formal terms.

The maximum number of hours a **graduate** student may enroll for during the Summer Session is 12. These 12 hours may be earned in one of several options: (1) 6 hours in each of the two regular summer terms, (2) 12 hours taken in the Extended term with no work taken during the two regular summer terms or (3) a maximum of 4 hours in the Extended term and 4 hours in each of the two regular summer terms.

All students may enroll for only 4 hours maximum during the Pre-Summer Session. This may be taken in addition to the maximum hour load as specified in the above comments.

(5) Special Courses
Credit/No-Credit Courses — Certain students, with permission from the dean of their college, may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate **Bulletin**.

Procedures for registering are as follows: (1) Obtain permit form from academic adviser, complete information on the form and secure adviser's signature, (2) go to department chairman's office in which course is taught and secure his approval, (3) obtain "Class Card Request" form from department chairman, (4) take completed permit form and "Class Card Request" form to the Registration Center at the appointed registration time.

Audit Courses — In order to register, the student must: (1) Obtain academic adviser's approval, (2) go to department in which course is taught and pick up "Class Card Request" form, (3) take "Class Card Request" form to the Registration Center at his appointed time.

A student auditing a course will receive "audit" on his/her transcript only if in the judgment of the instructor he/she has attended a sufficient number of classes to deserve the notation on the transcript. Faculty will base their decisions for awarding "audit" only on attendance as the student is not allowed by policy to participate in any other way.

(6) Payment of fees — Registration is not completed until fees are paid. Since there will be no deferment of fee payment, *students should not enter the Registration Center unless they are prepared to pay fees*. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship and Authorized Billings" station in the Fee Payment Center.

(7) Students who fail to register during the regular registration period may register beginning on the first day of classes. These students will be charged a $5 late registration fee on the first day and an additional $1 each day thereafter. Special late registrations are held at some off-campus locations.

Fees for the Summer Session Are:

	Resident	Non-Resident
Undergraduate		
Per semester hour	$ 20.00	$ 59.00
Graduate and Law		
Per semester hour	$ 23.00	$ 62.00

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he registers.

Parking Fees

A decal is required for main campus parking. The decal costs $3 which is payable at the time of registration. A student must have a validated ID card prior to purchasing a decal.

Refund of Fees

If a degree credit student withdraws from the University within three days after the beginning of classes for the First Term, a refund is made of 80% of his fees. Each three school days thereafter the amount of refund will be reduced by 20%. If a student withdraws from the Second Term classes any time before Second Term classes begin, a full refund of fees applicable to the Second Term will be made. This refund will be reduced to 80% if the student withdraws within three days after the beginning of classes for the Second Term and will be reduced an additional 20% each three days thereafter. Withdrawals or drops from the Extended Term courses will be refunded on the basis of a 20% reduction each four days instead of three, as in the six-week term. For more detailed information, see the Undergraduate Bulletin. Refunds for the

Pre-Summer Session will be reduced 20% each calendar day of classes during the pre-session commencing with 80% of fees on the first day, 60% on the second day, etc.

(4) **Changing Enrollment Status**

Once the student has completed his initial enrollment, he may find it necessary to change his enrollment status. Comments outline those procedures to be followed in changing status.

Change of Course

After a student's registration is complete, he may—within specified time limits—change his class schedule through the process of adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISER. Time limits for add/drop are outlined in the MSU Campus Registration Calendar. A fee of $3 will be assessed for each course which is added or dropped, except on July 11. No change of course is processed until the fee has been paid. There is no charge for a change made as a result of the University cancelling a course.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly.

Students who are enrolled for one course only must withdraw, not drop the course.

Withdrawal Procedures

Students may withdraw from the University by notifying the appropriate University official in person or in writing.

(1) Undergraduate Students — Notify the University Counseling Center, Room 205, Scates Hall
(2) Evening/Saturday Students — Notify Dean, Evening Academic Services, Room 165, Administration Building
(3) Graduate Students — Notify the Dean of the Graduate School, Room 315, Administration Building.

Time limits for withdrawals are stated in the MSU Campus Registration Calendar.

IMPORTANT: A student who enrolls for any of the terms of the Summer Session and who later decides not to attend, must withdraw from each term. Withdrawal is not automatic and failure to withdraw under these circumstances will result in grades of "F" being awarded.

Change of College, Major, or Adviser

Undergraduate students in the Colleges of Arts & Sciences, Business, Education, and Engineering may change college, major, or adviser by making application to the college in which they are currently enrolled. The student should make sure that all advising files are forwarded to his new college. After being assigned an adviser, the student should come immediately to the Records Office.

Graduate students desiring to change majors should fill out a change of major form in the Graduate School office.

Change of Name, Address, or Social Security Number

It is imperative that the student keep his/her name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration materials. However, in order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who change their address should leave a forwarding address with the post office so that all University mail will reach them at the new address.

IMPORTANT: All changes should be made early during the semester to insure their processing before the next semester.

(5) Credit by Examination

Almost all courses in the undergraduate curricula, except for those of laboratory, research, and performance variety, are available for credit by examination. Students who believe they have already mastered the material of a particular course offered at Memphis State may take a departmentally administered examination for credit in that course. Students should consult the department chairman to make application and to obtain information concerning the courses offered.

The following regulations govern the granting of credit by examination:

(1) Any enrolled student—full-time or part-time—who is in good academic standing may make application to take an examination for credit. A student who has been admitted but has not yet registered for courses at Memphis State will have the credit earned by examination posted after he has enrolled. Examinations may not be given to students in sequential courses numbered lower than those the student has already completed.

(2) Permission to take a credit examination must be obtained from the chairman of the department in which credit is sought and from the dean of the college in which the student is seeking a degree. When permission is granted and after payment of the cost of the examination, the Dean of Admissions and Records will issue an official permit for the examination.

(3) The form of the examination, the method of administering it, and the time of examination are left to the discretion of colleges and departments.

(4) To receive credit, the student's examination grade should be a grade equivalent of at least a C. There are no restrictions governing the number of credit hours which may be earned through credit by examinations. Credit is indicated in the student's record as Cr. and included in the hours accumulated by the student but not included in computing his grade point average.

Credit by Placement Examination

In the departments in which placement examinations are given, a student may elect to receive credit for certain sequential courses numbered lower than the course in which the student was placed as the result of the examination. Recording of credit may be requested by the student upon completion of the course in which he was placed and is contingent upon his having earned a grade of C or higher in the course. The fee for recording the credit is the same as that for taking an examination for credit.

The College-Level Examination Program (CLEP)

CLEP is a national program of credit-by-examination, sponsored by the College Entrance Examination Board, that offers the opportunity to obtain recognition for college-level achievement. No matter where or how the information was learned, the student may take the CLEP tests. If the results are acceptable to the college, credit is granted. Information about CLEP and application forms are available from the individual college advisers and the General Advising Center.

GRADE REPORTS

Reports of grades for the Pre-Summer Session will be mailed at the end of that term. Grades received for the First, Second, and Extended Terms will not be mailed until the end of the Second Summer Term.

A grade report showing the grade received, credit received, credit hours earned, and quality points earned will be mailed to each student. Also shown on the grade report will be hours attempted, hours earned, and grade point average. The report will be mailed to the permanent address.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.

WITHHOLDING OF GRADE REPORTS

The University is required by state law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Packet Center, May 27-June 1 and July 8-11; in the Late Registration Center, June 2-6 and July 12-14; and in the Records Office, June 7 through July 7 and after July 14.

IMPORTANT: The section numbers of courses offered during the Summer Session denote the term in which the course will be taught as well as distinguish between different sections of the same course. All courses taught during the Pre-Summer Session may be identified by section numbers beginning with "0," First Summer Term sections of courses begin wilh "1," Second Summer Term sections begin with "2," and sections taught during the Extended Summer Term begin with "3."

COURSE NUMBER SYSTEM

Courses are numbered according to the following system:

1000—1999	Courses primarily for freshmen
2000—2999	Courses primarily for sophomores
3000—3999	Courses primarily for juniors
4000—4999	Courses primarily for seniors
5000—5999	Courses offered in the Graduate School but open to seniors within 36 semester hours of graduation
6000—9000	Courses open ONLY to those students fully admitted to the Graduate School

ACADEMIC STATUS AND RETENTION

Official notification of academic status is by means of the grade report processed to each student at the end of the regular semester. A complete statement of the policy regarding academic status and retention may be found in the University catalog.

Specific questions concerning academic retention/suspension should be directed to Mr. Wilson Walker, Room 165, Administration Building, between the hours of 1:00 - 9:00 P.M. Monday through Thursday, and 9:00 A.M. - 12:00 Noon on Saturdays.

REGISTRATION PRIORITY

Since it is impossible to register all students in the University at the same time, it is obviously necessary to establish some priority in the assignment of registration times. At Memphis State University registration priority and the registration appointment times appearing on registration materials are generally based on the number of cumulative hours earned. This policy is based on the rationale that those students closest to the degree have the most critical need for choice of courses. The policy also has a pragmatic base since no other criterion of assignment seems to be as equitable and as easily administered.

Registration materials must be prepared before the end of the term that immediately precedes registration. Therefore, the appointment times do not reflect hours earned during these terms. For example, registration times for the spring semester are not affected by hours earned during the fall semester.

The majority of University students hold jobs either on or off campus. Registration priority and associated registration appointment times cannot be based on the need to work precisely because such a large number of students do work. No practical or equitable way exists, therefore, to administer a priority system on the criterion of a student having to work.

Although the University is desirous of assisting transient students in obtaining the best possible program, a first obligation is recognized to native students continuing their

program. Unclassified students will, therefore, be awarded registration appointments on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

MESSAGE FOR VETERANS

Eligible veterans may take credit courses as full, three-quarter, or half-time students and receive monthly G.I. educational benefits. Contact the MSU Office of Veterans' Affairs, 454-2996, 105 Scates Hall, for further information.

FINAL EXAMINATIONS

During the Summer Session, final examinations are given on the day indicated in the calendar at the regularly scheduled meeting of the class. Each examination is ninety minutes in length and attendance is compulsory. Absence from a final examination without permission of the instructor incurs a grade of "F."

STUDENT INFORMATION SYSTEM

The Student Information System is a series of pre-recorded tapes with each containing information on a given subject about which questions are frequently asked by students.

Instructions for using SIS – Dial 454-2037 or 454-2038 and ask the operator for the number of the subject you desire information on.

PRIVACY RIGHTS OF PARENTS AND STUDENTS

Provisions for the release of information about students and the rights of students and others to have access to Memphis State University education records are as follows:

A. Release of Personally Identifiable Student EDUCATION RECORDS

Memphis State University shall not permit access to or release of any information in the EDUCATION RECORDS which is specifically identifiable as referring to any student, other than Directory Information, without the written consent of the student to any party other than the following:

1. MSU officials and staff who have legitimate educational interests, including academic excellence and honor societies and fraternities and sororities. Written requests from such officials or organizations shall be sent to the Records Office, and proper identification will be required.
2. Officials of other schools in which the student seeks admission, if the student has executed a release form to that institution. (At a later date a request for academic information from another institution of learning indicating the reason will be honored as a matter of inter-institutional courtesy.)
3. Appropriate persons in connection with a student's application for or receipt of financial aid.
4. Federal or State officials as defined in the regulations concerning this law.
5. State and local officials authorized by State statute adopted prior to November 19, 1974.
6. Organizations conducting studies for, or on behalf of, Memphis State University for the purpose of assisting in accomplishing the University's stated goals, and when such information will be used only by such organizations and subsequently destroyed when no longer needed for the intended purpose. The Dean of Admissions and Records or his designate must approve requests of this nature.
7. Accrediting organizations to carry out their functions.
8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954. (Note: Husband or wife cannot get records of his/her spouse regardless of dependency.)
9. In compliance with judicial order or subpoena after the University has made a reasonable effort to notify the student.
10. Appropriate persons in connection with an emergency if such knowledge is necessary to protect the health or safety of a student or other persons. Verification of the conditions involved will be fully documented.

Note:

All individuals and agencies who have requested or obtained access to a student's record (except as stated in A 1-7) will be noted in a record which is kept with each student's closed file. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information, and the information made available will be limited to that necessary to satisfy such demonstratable needs.

B. Definitions:

EDUCATION RECORDS. "EDUCATION RECORDS" is defined as those records, files, documents, and other material which (1) contain information directly related to a student; and (2) are maintained by Memphis State University or by a person acting for the University. They do not include: (1) personal notes; (2) records available only to law enforcement personnel; (3) employment records; (4) medical, psychological, and psychiatric records (these are accessible to the student's physician); (5) and records containing only information relating to a person after that person is no longer a student at the University. An example would be a record of accomplishments of an alumnus of the University.

Student. A student is any person who is or has been enrolled at Memphis State University. Wherever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights. This "eligible" parent is one who has satisfied Section 152 of the Internal Revenue Code of 1954, and who presents proof of such to the custodian. Normally, this will be a notarized affirmation by the parent declaring that the student is a dependent for Federal Income Tax purposes.

Directory Information. "Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office a written request that directory information for that student may not be released. This notification is effective only for the one semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

Access. To have access to an EDUCATION RECORD is to be allowed to see the original record. It implies the right to obtain copies of that record at a rate of 5¢ per page copied.

School Officials. School officials are those University employees with general or specific responsibility for promoting the educational objectives of the University.

Employees whose responsibilities place them within this category include: teachers; faculty advisers; admissions counselors; academic advisers; therapeutic counselors and vocational counselors; degree analysts; employment placement personnel; deans, department chairmen, directors, and other administrative officials responsible for some part of the academic enterprise or one of the supporting activities; administrative and faculty sponsors of officially recognized clubs, organizations, etc.; members, including student members, of committees appointed by the President; and clerical personnel employed to assist University officials in discharging professional responsibilities. Access by these officials is restricted where practical only to students for whom they have professional responsibility and only to that portion of the student record necessary for the discharge of assigned duties.

Legitimate Educational Interests. Legitimate educational interests are defined as those interests which are essential to the general process of higher education prescribed by various legislative acts and the body of policy

adopted by the governing board. Legitimate educational interest would include teaching, research, public service, and such directly supportive activities as academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities.

In addition, the University officially recognizes appropriate co-curricular activities which are generally supportive of overall goals of the institution and contribute generally to the well-being of the entire student body and specifically to many individuals who participate in these activities. These activities include varsity and intramural sports, social fraternities and sororities, honorary and academic fraternities and sororities, departmental clubs, professional fraternities, special interest clubs, and student government.

C. Procedure for Gaining Access to **EDUCATIONAL RECORDS**

To gain access the student must request the custodian to allow him to peruse the EDUCATION RECORD, which request will be granted within a reasonable period of time. The student may ask for an explanation and/or copy of his EDUCATION RECORD. Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit will not be returned to the student nor sent elsewhere.

If the student believes the RECORD content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four RECORD custodians (none of whom is custodian of the RECORD in question) with one of the four designated as chairman, and (2) designate a time and place for the first meeting and inform the student of the same.

The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the Education Record. Thereupon, the student may submit to the Committee a written explanation to be inserted into the RECORD.

Note: This procedure does not provide for a hearing to contest an academic grade.

D. Right of Access Does Not Include:
   1. Financial records of parents or any information therein.
   2. Confidential letters and statements of recommendation which were placed in the EDUCATION RECORDS prior to January 1, 1975.
   3. RECORDS to which access has been waived by a student.

E. No University office receiving student information shall, and all agencies receiving student information will be advised not to, release the information to another party without the written consent of the student.

F. The University retains all rights to the student's academic record and may withhold transcripts of the record because of unfulfilled obligations to the University.

G. Eligible students and parents have the right to file a complaint with the Department of Health, Education, and Welfare concerning an alleged failure by the University to comply with the "Privacy Rights of Parents and Students" Act. Students may also file a complaint against the University in the office of the Dean of Admissions and Records. A copy of the Act can be read in the offices of the Associate Dean of Admissions and Records (Records), the Dean of Admissions and Records, or the University Counsel.

UNIVERSITY 3501. Thematic Studies. (6).

The Political Economy

The main objective of the course is to integrate two disciplines—political science and economics—as a means of analyzing the relationship between the process of authoritative decision-making and the production and distribution of economic services. The basic areas of inquiry which will be examined are:

1. The manner in which political institutions seek to mediate the particular interest of economics institutions with the public interest which has become a fundamental function of all modern nation states.
2. The ways by which economic institutions shape public policy.
3. The economic basis of local national and international political conflicts.
4. The relationship of economic institutions to the development of political structures, with special attention to the political consequences of the multinational corporations.

PREREQUISITE: Application or admission to the University College or permission of the Dean.

UNIV 3502. Thematic Studies. (6).

Women in American Society

This course will integrate the insights gained from literature and psychological and sociological research in order to gain an understanding of the position of women in today's society. Among the topics to be considered will be female physiology and sexuality, the nature of roles and stereotypes, women's use of of certain literary genres, institutional settings as they affect women, and the feminist movement in America.

UNIVERSITY 3504. Thematic Studies. (6).

Classicism and Romanticism

A comprehensive study of selected objects in the Classical and Romantic periods including historical and philosophic writings, visual arts, architecture, music, poetry, novels. Besides the reading, discussion, and writing of brief papers, visits will be made to museums and to archaeological sites in Greece and Italy. On his return, the student will write a term paper on a topic to be chosen in consultation with the instructors.

This course will deal with dent removal, adjustment, material brazing and soldering, and general repair and maintenance problems which could be handled by the teacher or performer. Each workshop participant should bring at least one brass instrument in need of repair. Some basic tools are required. A list of these will be sent upon receipt of a workshop application. In addition, there will be a $5 fee for supplies payable at the workshop. Time: 8:30 a.m. - 3:30 p.m. Instructor: Walter Lawson.

STRING REPAIR WORKSHOP; June 20 - 24

Five days of concentrated work on repair and maintenance of violins, violas, cellos, and string basses. Includes fitting soundposts, nuts and saddles, dressing fingerboards, carving and fitting bridges, rehairing bows, installing tail-piece assemblies, glueing cracks and openings, cleaning instruments inside and out, case repair, bow repair, polishing, and varnish retouching. Enrollees are required to bring at least one instrument in need of repair and one bow in need of rehairing. Time: 8:30 a.m. - 3:30 p.m. Instructor: John A. Zurfluh, Sr.

BEGINNING PIANO TUNING; June 20 - July 1

In this workshop participants will learn the basic processes of tuning a piano: setting the temperament, tuning octaves, pin setting, minor hammer and action repair. A beginner's piano tuning kit costing about $20 will be available for those not owning tools. Time: 1 p.m. - 4 p.m. Instructor: Russell Van Vlack.

ADVANCED PIANO TUNING; June 20 - July 1

This course will provide an opportunity for those with a basic knowledge of tuning, repairing, and regulating to continue their study in order to attain a higher degree of piano technical skills. Topics to be covered include repairing broken agaffes, ordering and replacing bass strings, repairing split sound boards and broken ribs, replacing complete hammer sets, tone regulating, grand action regulating and restringing. Time: 9 a.m. - 12 noon. Instructor: Russell Van Vlack.

ORFF-SCHULWERK WORKSHOPS; July 18 - 29

Designed for beginning, intermediate, and teachers levels, the workshops will include creative movements, rhythmic training, orchestration, improvisation, pedagogical sequences, choral arranging, recorder, and vocal techniques. Time: 8:30 a.m. - 3:30 p.m. Instructors: Nancy Ferguson, Shirley McRae, Konnie Saliba, Lynn Johnson, Kathy Rausch, Jos Wuytack.

ORFF-SCHULWERK MASTER CLASS; August 1 - 5

An advanced level course for those completing the Teachers level course or having the equivalent in experience. Time: 9:00 a.m. - 4:00 p.m. Instructor: Jos Wuytack.

EDUCATION WORKSHOPS

AEROSPACE EDUCATION WORKSHOP: June 20 - July 8

The fourteenth Aerospace Education Workshop will be conducted during these three weeks. It will demonstrate to teachers how relevant Aerospace is to any grade level or subject. Admission is by scholarship only and will be limited to teachers in the field. Call Mrs. Minnie McRae Cutliff at 454-2372.

AESTHETIC EDUCATION WORKSHOP: ELED 4703/6703; July 12 through July 29; 12:30 p.m. to 3:45 p.m.

This workshop was designed for elementary school teachers/principals interested in incorporating the Arts into the curriculum. Through studying concepts in Drama, Photography, Dance, Graphic Arts, Music and Literature, participants will not only be able to provide more Arts experiences for their students, but will discover ways to modify the physical environment.

LINGUISTICS AND THE TEACHING OF LITERATURE FOR SECONDARY TEACHERS OF ENGLISH AND/OR READING: SCED 4704/6704; June 13 through July 1; 8:45 a.m. - 11:15 a.m.; Three semester hours of credit

Purpose: the findings of linguistic research will be used to prepare students for a greater appreciation and understanding of the masterpieces of the literary art.

Program: the workshop will focus on the following linguistic topics: phonology, morphology, syntax and transformation, dialect and usage, and grammaticality.

METRIC WORKSHOPS: ELED 4703/6703, SCED 4706/6706; See Schedule for dates and times.

The Metric Workshops, scheduled to meet 4 hours per day for two weeks, are designed for teachers in all subject areas and all grade levels, K-12. The course will deal with measurement in general and the Metric System in particular. Main emphasis will be on length, capacity (volume), mass and temperature and learning to THINK METRIC. Course may be taken for undergraduate or graduate credit in either Elementary Education or in Secondary Education.

MOTIVATION STRATEGIES: ELED 4701 or SCED 4701 (three semester hours of undergraduate credit) or ELED 6701 or SCED 6701 (three semester hours of graduate credit); June 13 through July 1 (8:45 a.m.-11:15 a.m.)

Purpose: motivation can be defined as how to increase student vim and vigor. But how do you arouse student interest? What motivation "incentives" would be most appropriate for my teaching style? Why, and how, are some teachers able to capture the attention of students, while others spend a lifetime struggling for "order"? The proposed workshop will attempt to answer these questions, as well as many others, and at the same time provide a means for teachers to share those motivational strategies that are presently "working well" for them. No prerequisites.

VALUES CLARIFICATION WORKSHOP: ELED 6701 - SCED 6701; See Schedule for dates and times.

This summer workshop is planned to help educators learn values clarification strategies to improve the social climate in the classroom. Materials in subject area and grade level will be developed.
